al Engineering

Topics of previous workshops

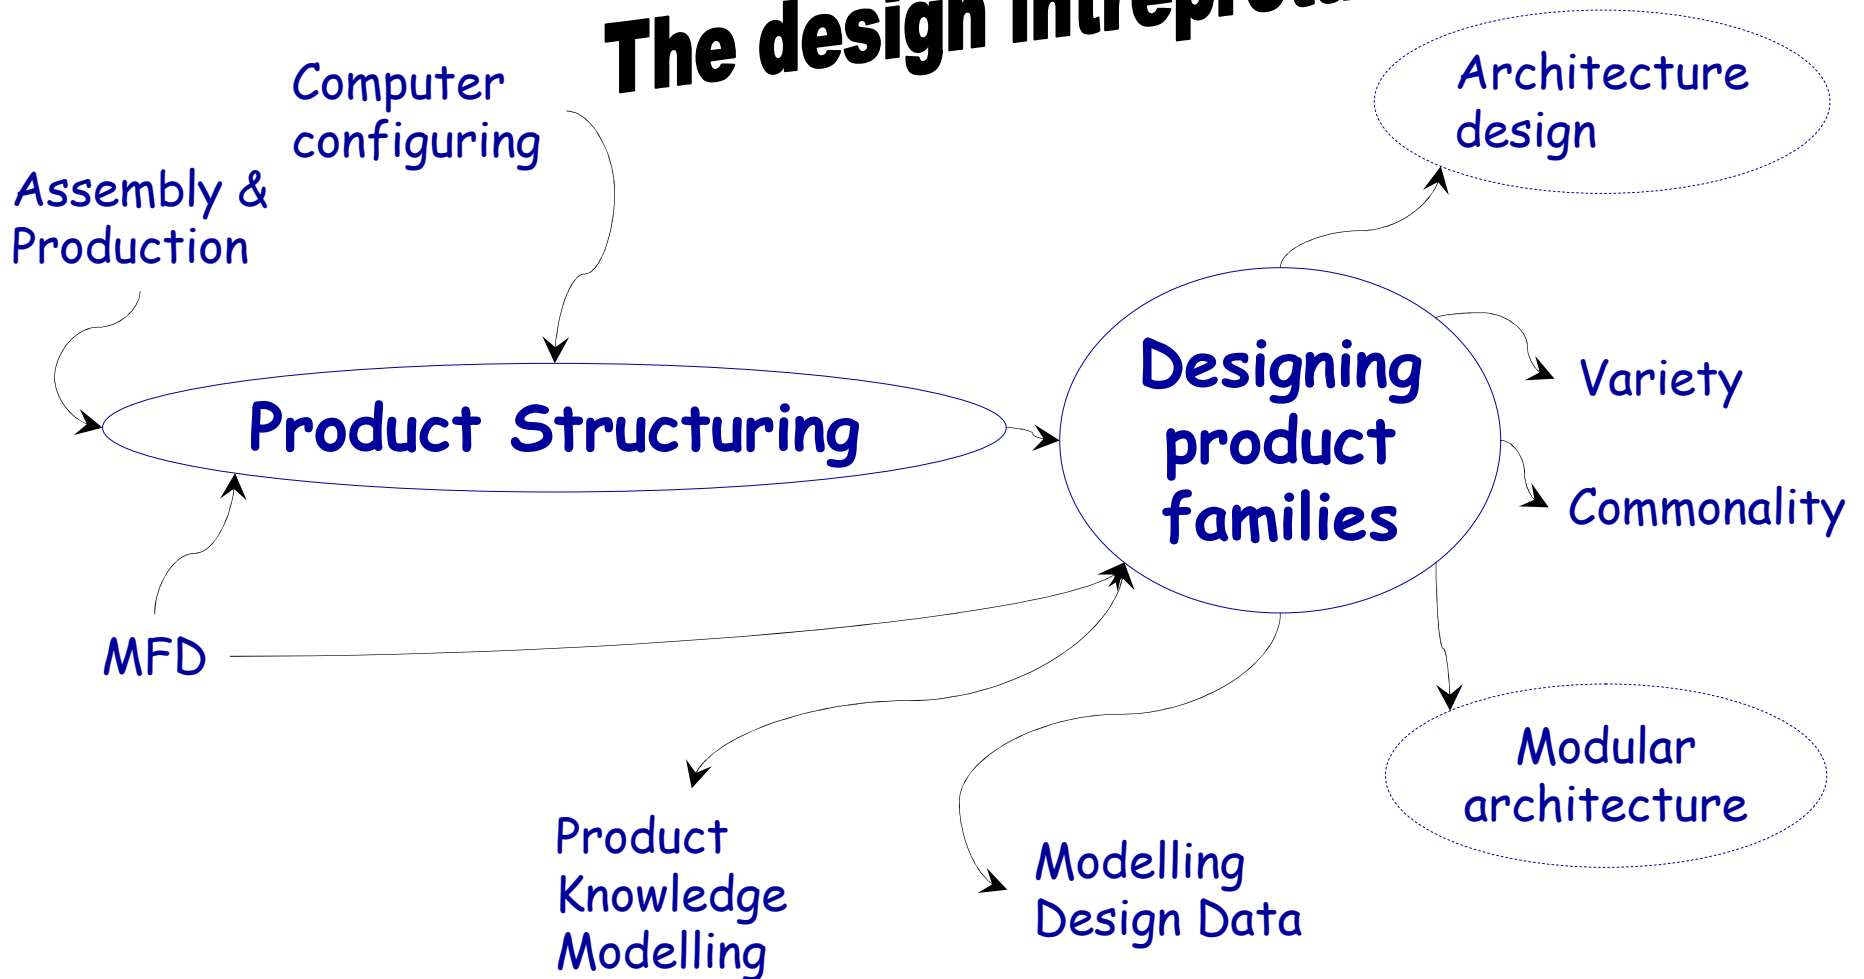

- '95 / 1st - Just product structuring
- '96 / 2nd - Design (modular) product families
- '97 / 3rd - Designing (modular) product families
- '98 / 4th - Design of product families
- '00 / 5th - Design for Configuration
- '03 / 6th - Application of product models
- '04 / 7th - Product platform development

1st Workshop - just...

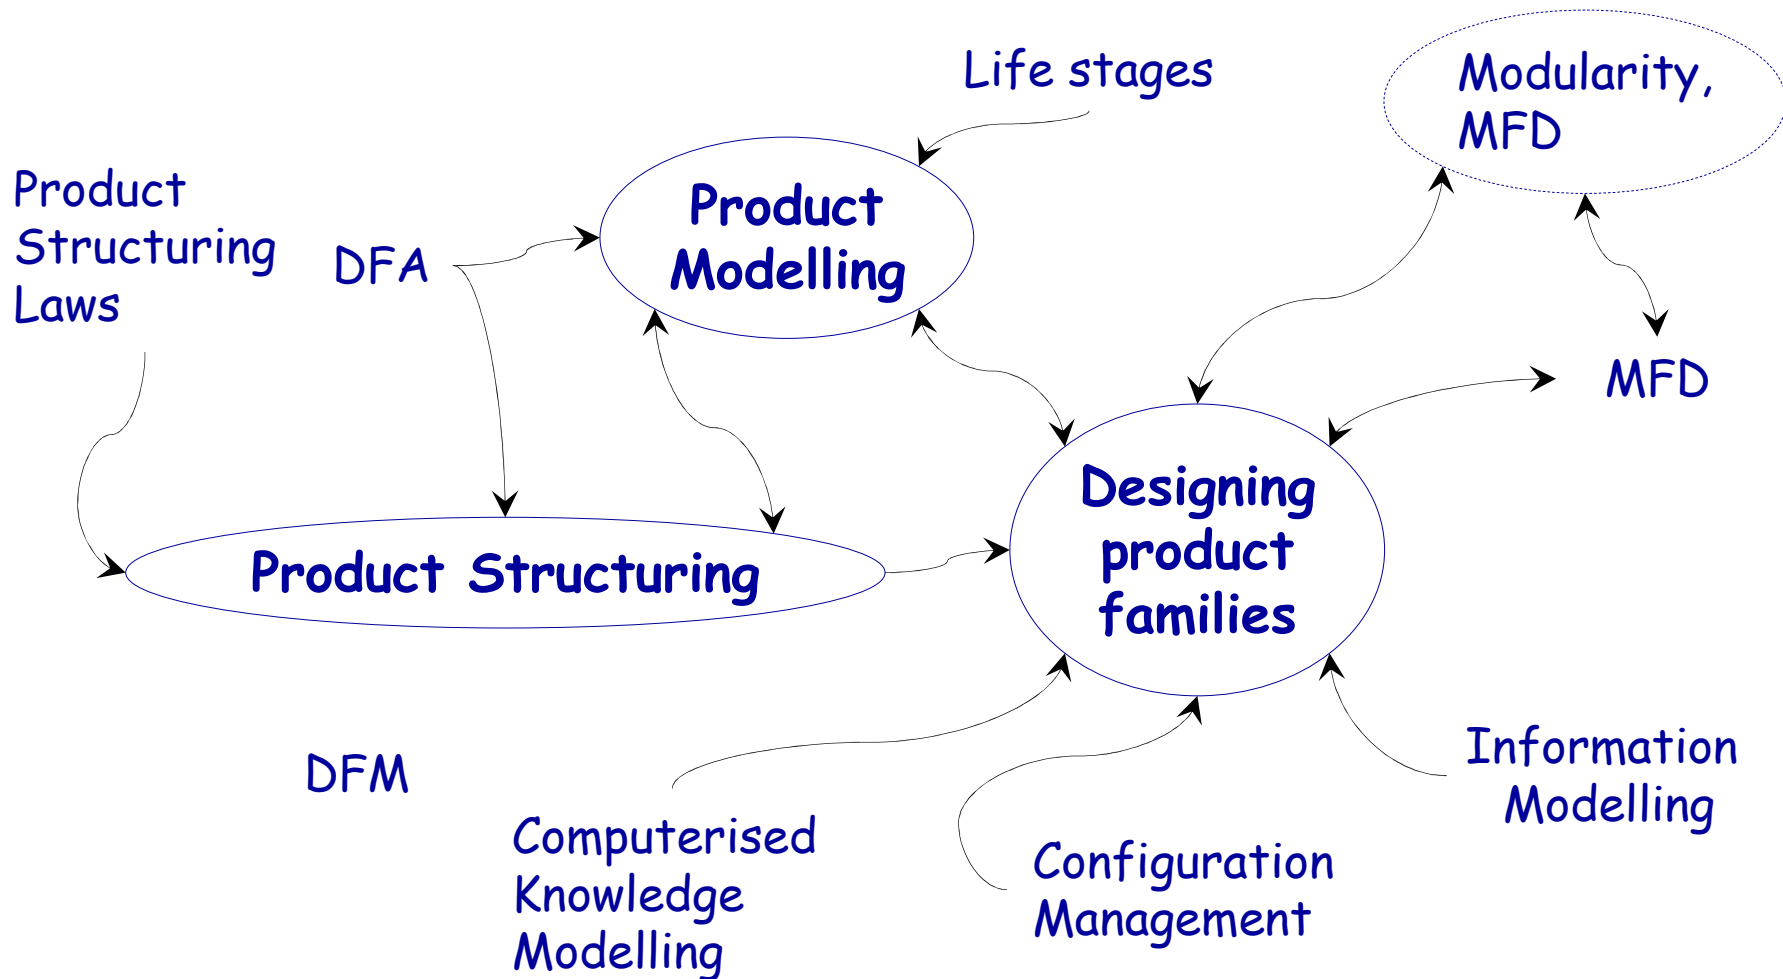

2nd Workshop - families...

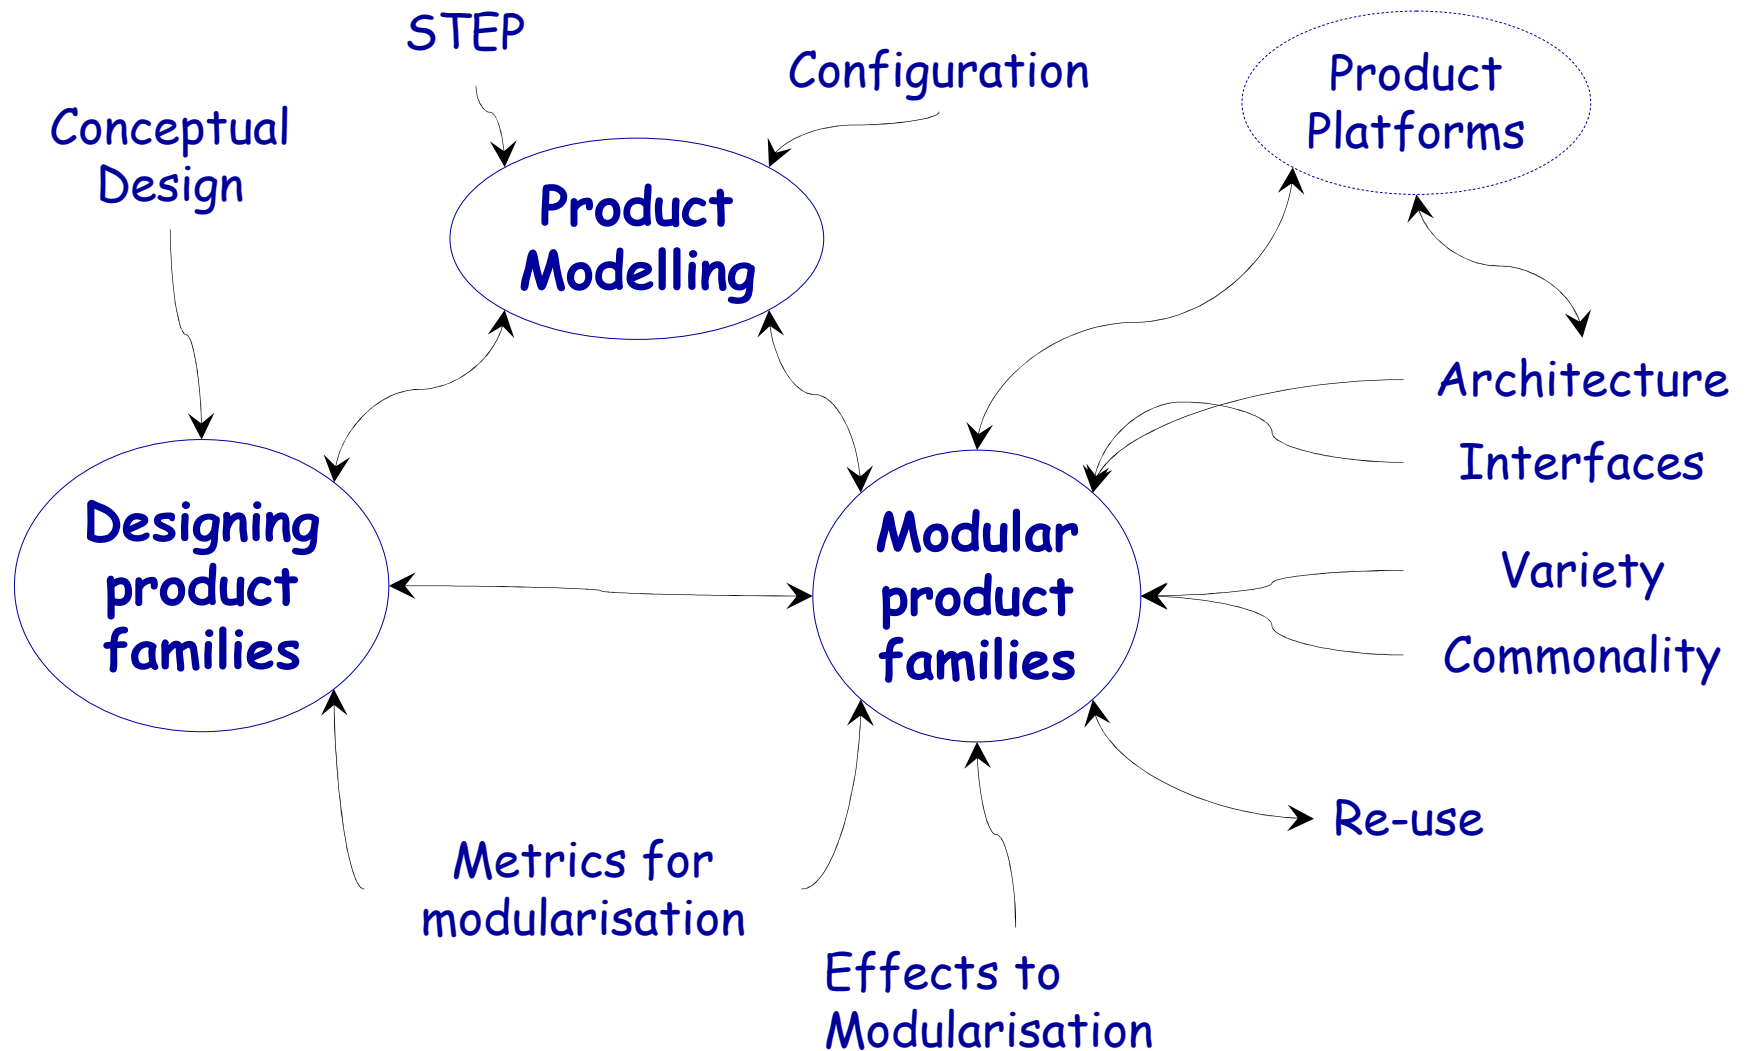

The design interpretation

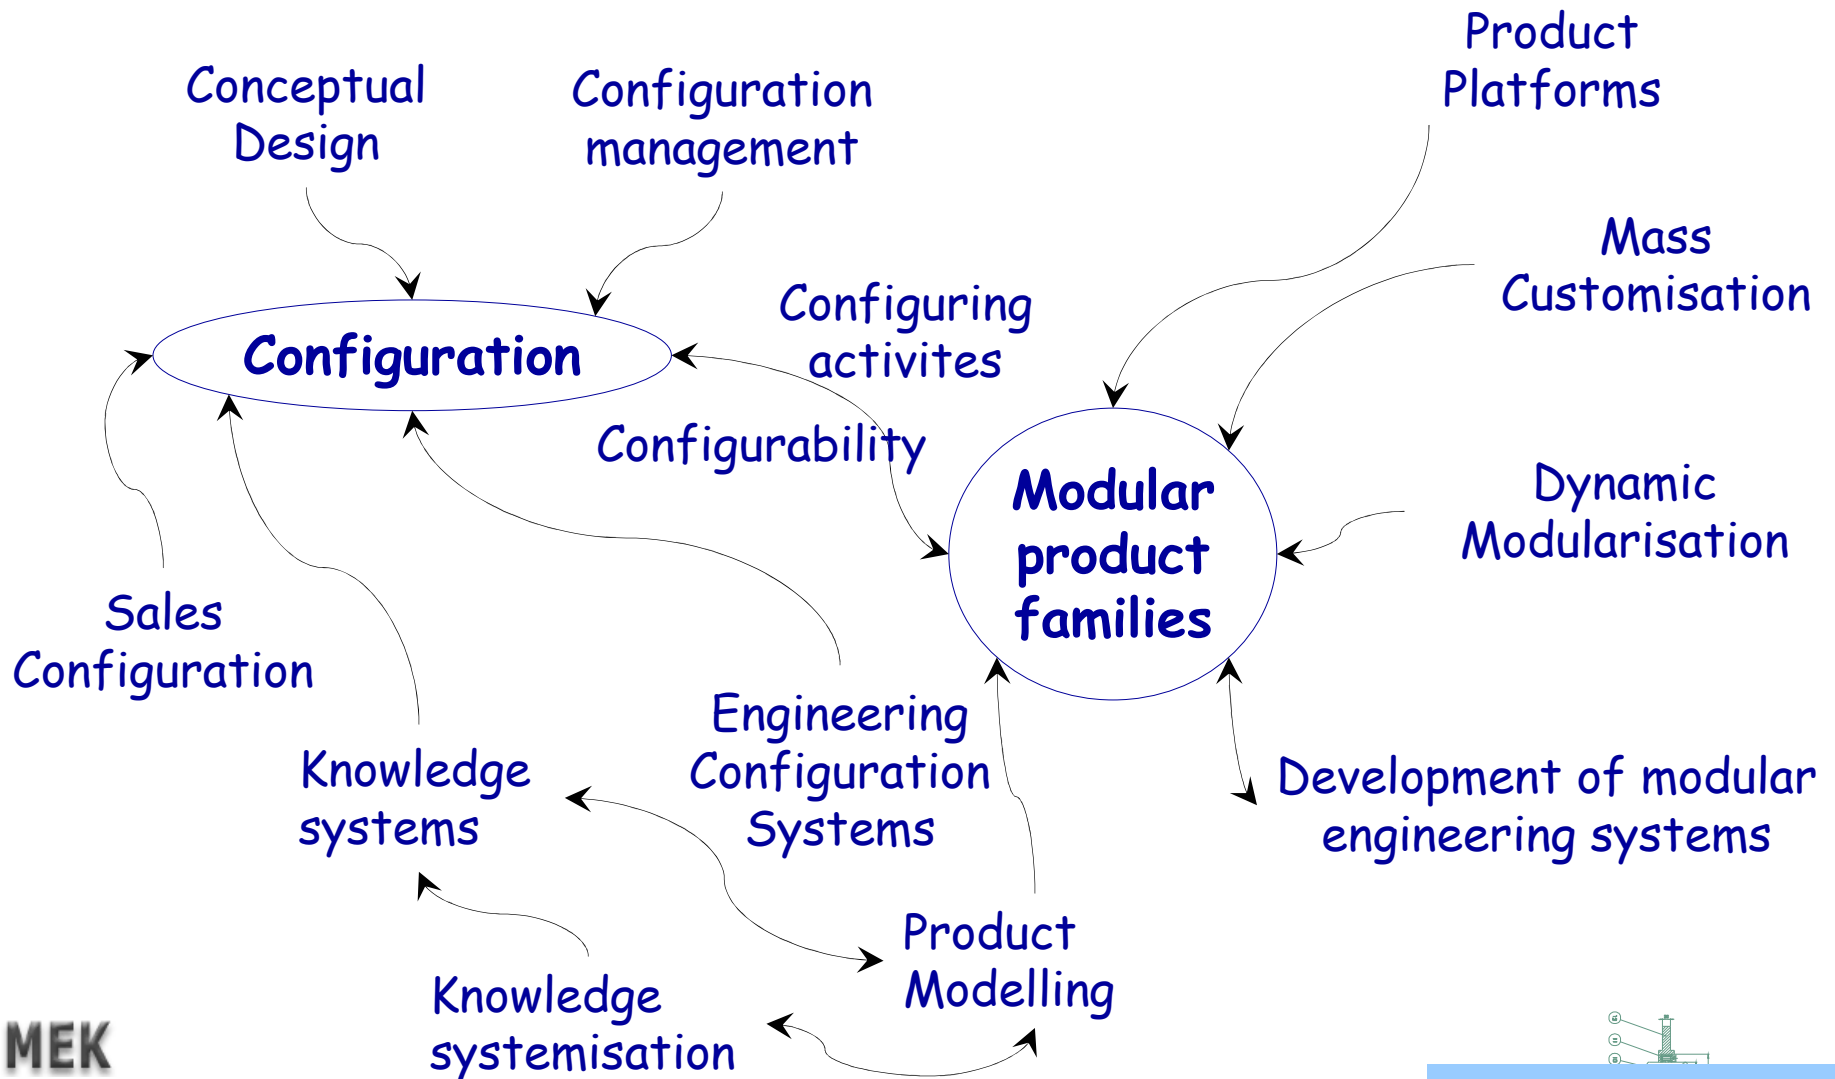

3rd Workshop - families...

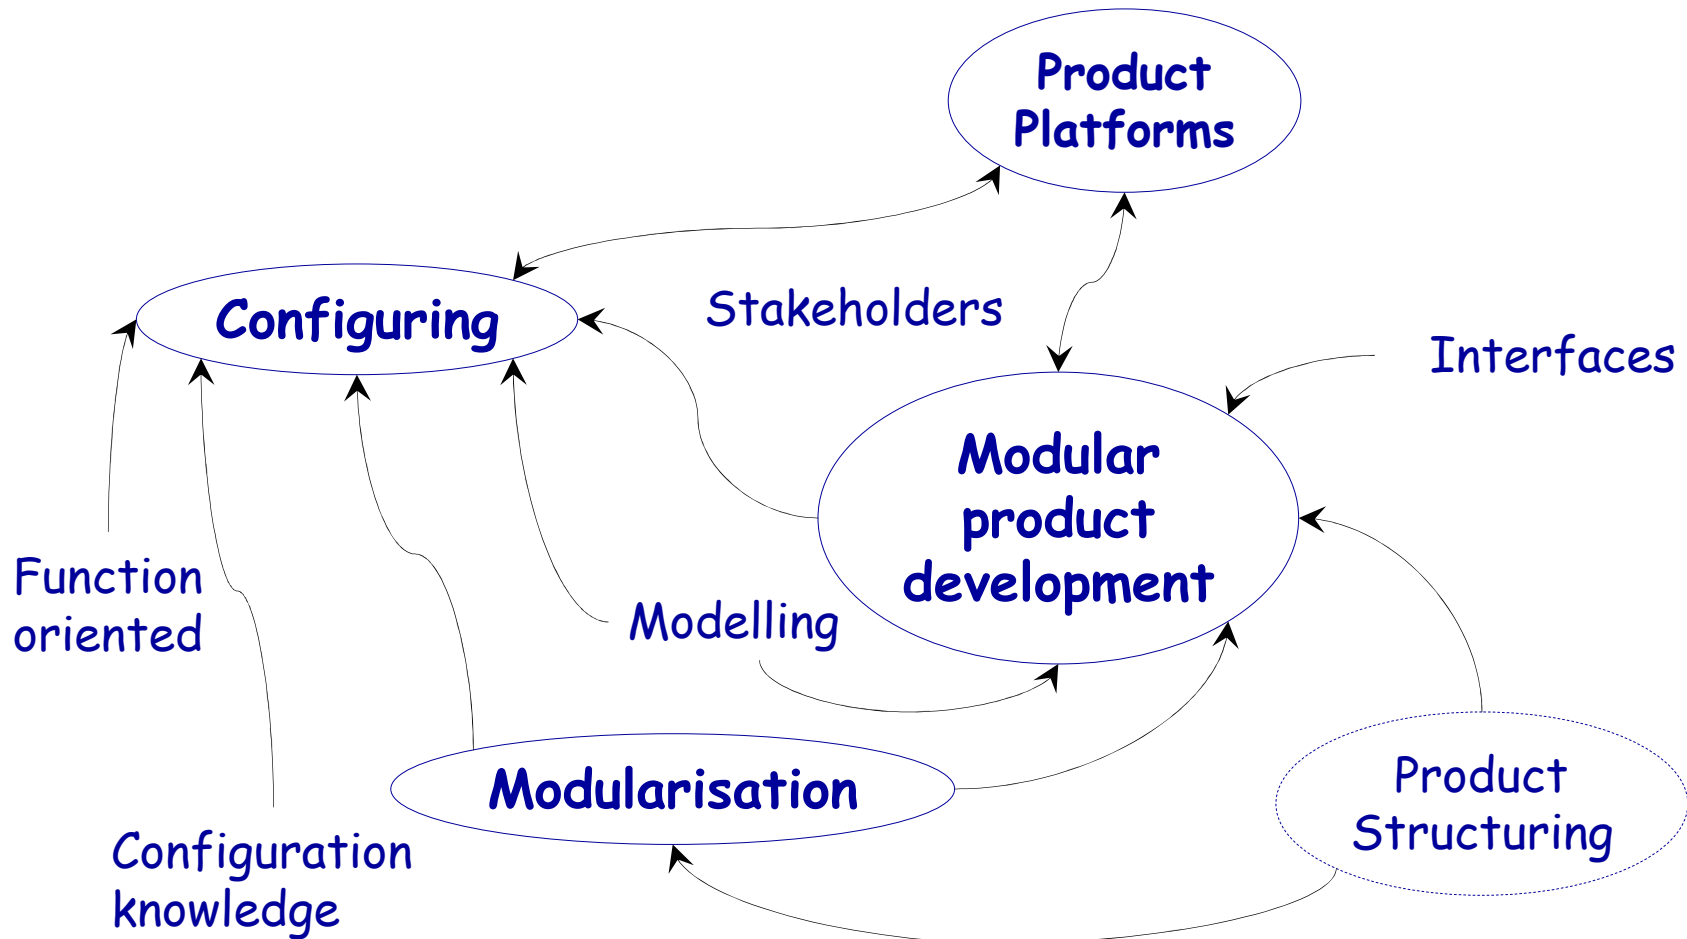

4th Workshop - families...

5th Workshop - DFC...

6th Workshop - ...product models

7th Workshop - ...platforms
